Maltzman Foreman Partner Darren W. Friedman Named in 2010 *Florida's Legal Elite*

MIAMI, FL (July 2010) – [Darren W. Friedman](#), a founding partner and principal of [Maltzman Foreman](#), a Miami-based litigation defense firm, has been named to Florida Trend's 2010 "[Florida Legal Elite](#)" directory.

"Florida Legal Elite" recognizes the top-tier of attorneys practicing in the state as chosen by their colleagues. Only 1, 160, or approximately two percent of Florida's attorneys make into the directory in any given year, so it's a very prestigious thing to be included.

Mr. Friedman was named under the Civil Trial category. His law practice focuses on defending corporations from medical malpractice, wrongful death, sexual assault and all types of business and tort litigation. Mr. Friedman has represented vessel owners, hotels, tour operators, travel agents and those involved in the hospitality and tourism industry. He has also routinely handles appellate matters for the firm's clients.

Friedman was named to Florida Trend's "Florida Legal Elite" list last year as well.
